## Holy Family Academy Honor Code

As a member of the Holy Family Academy community, I will uphold the spirit of honesty in my academic work, both in and out of the classroom. I will not dishonor myself, nor my fellow students by engaging in bullying. I will not tolerate the bullying of others. I will be respectful of the work and personal property of my fellow students. I will treat others as I wish to be treated not only in person, but also in their absence and in social media outlets. I will conduct myself, with honor and dignity, within and beyond the walls of Holy Family Academy.

My word is my pledge.

We begin each day at Holy Family  
with this prayer:

Be it known to all that enter here  
That Christ is the reason for this  
school  
The unseen, but ever present teacher  
in its classes,  
The model of its faculty and the  
inspiration of its students.

*"Holy Family Academy dedicates itself to providing a Catholic education unmatched in our area. The dedicated teachers and staff provide an environment in which students can succeed academically, socially and spiritually. A rigorous curriculum, along with structured involvement in the school & local community, help our students to become faith-filled leaders and lifelong learners. With family values as our central theme, all involved with Holy Family Academy are members of the same "family".*
