

At Notre Dame, we believe that our students perform better when they are intellectually stimulated, emotionally healthy, and can be physically active. Early exposure to the arts nurtures creativity, imagination, as well as problem-solving skills so our students are offered a variety of weekly developmental & fine arts programs. Our students can also choose from various physical activities throughout the school year such as Soccer, Basketball, Baseball, Cross Country, Girls on the Run, and Introduction to Golf.

Mission Statement

Recognize, Proclaim and Joyfully Celebrate the Good News with everyone with whom we come in contact.

Notre Dame Elementary School

Spiritual Life of Our Students

At Notre Dame Elementary School, growth in every student's relationship with God is fostered through daily classroom prayer, religion class, regularly celebrating the Sacrament of Reconciliation, as well as in Eucharistic liturgies & special occasion prayer services.

Our students are urged to further their own spiritual growth outside the school walls by prayer, frequent reception of the Sacrament of Reconciliation and Holy Eucharist, devotion to the Blessed Virgin Mary and the Saints, daily acts of love for God and neighbors, celebrations of yearly liturgical seasons, and a deepening of their faith through commitment to the Church and its teaching of justice, peace and love.

For more than eighty years, Catholic tradition and academic excellence are combined to emphasize moral development, service to others, and leadership skills at Notre Dame Elementary School. Parental involvement and an open communication within the school community provides a safe and comfortable atmosphere where learning is kept in focus and distractions are kept to a minimum. Our students participate in many community-based charitable activities, learning to respect and serve others, just as Jesus taught.

Tuition assistance and scholarships are available for Notre Dame Elementary School students through the Diocese of Scranton's Scholarship Foundation.
