TESTIMONIALS:

“Everything I am I owe, in part to my education and growth at Our Lady of Peace School. I greatly valued my years at OLP and am forever grateful for the lifelong friends, lessons, and values I received.”

Jack Grady '07

“I am inspired by the creative and tireless involvement of parents.”

Marla C. Farrell, M.D., parent

“OLP made good parenting easier because at every turn in the road, our children witnessed first hand, the values so critical to building a solid foundation. It is easy to preach hard work, kindness, community service and compassion. But, OLP was an environment that lived these values. OLP lived them with conviction, with purpose, and with clarity.”

Bob Knowles, parent

OUR LADY OF PEACE SCHOOL

EXCELLENCE WITH CHARACTER

Our Lady of Peace School

Our Lady of Peace school provides a Catholic education that is spiritually sound and academically excellent.

- All Day Kindergarten
- Grades 1 - 8, double tracked
- Middle States Accreditation
- Accelerated Math Program
- Faculty hold state education certification
- Class of 2012 boasts:
 - * 7 Holy Cross Scholarship winners
 - * 7 Scranton Preparatory School Scholarship recipients
 - * 17 recipients of the Johns Hopkins Center for Talented Youth Award

"Our Lady of Peace School offers not only a rich academic setting, but also a caring, structured, nurturing environment that focuses on Catholic beliefs."

Christa LaBelle, parent

Faith Formation

Students at Our Lady of Peace are challenged to live the Gospel values by serving others, participating in the liturgy, and accepting the responsibility of their vocation as a student.

- School wide morning, noon and afternoon prayers
- Daily Catholic religious instruction
- Bi-weekly School Mass
- Living Stations
- Advent and Lent Prayer Services
- Catholic Schools Week Celebration
- Service Projects in local community
- Stations of the Cross
- May Crowning
- OLP Caring Kids
- Mission Day

Our Lady of Peace School welcomes students of all faiths.

Technology

Our Lady of Peace School teaches technology as an effective and necessary tool, capable of enhancing student's communication and problem solving skills. We offer:

- State of the art computer lab for Grades K-8 using Windows based computers and latest software programs.
- Computer classes are fully integrated into the school curricula.
- Emphasis on digital citizenship.
- Smart Boards and computers are available in every classroom.
- Wireless laptop cart is accessible for classroom use.

"Through their example and their teachings, the teachers and staff at OLP work to develop a student that understands the vital importance of hard work, accountability, service, kindness, respect for others and doing the right thing."

Karen Brier, parent
