"We send our children to Wyoming Area Catholic School because we want them to have an education based in faith and values. Through academics, service projects, and extracurricular activities, our children are becoming well rounded individuals."

“Wyoming Area Catholic is a place where anyone can feel welcome. The teachers have an endless supply of encouragement, patience, and kindness which creates a stress-free learning environment. They taught me not only how to be a good student, but how to be a good person as well. I was definitely well-prepared for high school when I arrived at Holy Redeemer this year. Being a part of the WAC family is something that I will never forget.”
