In addition to the usual music at Mass it is most appropriate to have singing and/or instrumental music during the laying on of hands and the anointing.

Worship aids give suggestions for songs for a celebration for the sick. For instance, OCP in its Today's Missal: Music Issue 2014 offers Be Still, My Soul; Healing River of the Spirit; Precious Lord, Take My Hand; and Healing Waters.
In observance of the World Day of the Sick, (Parish Name) will offer the Sacrament of the Anointing of the Sick during Mass on ______ (date/time). All who are sick, elderly, facing surgery, or seeking the gift of God’s healing are welcome to participate. The whole parish will be invited to join in prayer for those who are sick and for their caregivers.
