Your webinar host: Stefanie Krievins

As a three-time program graduate, Stefanie Krievins connects with JustFaith Ministries' many friends and promoters, working in partnership with social ministry leaders to invite them to answer the Gospel's call of compassion, engagement in poverty, and deepened spiritual life through social ministry. She has volunteered since 2008 and joined the staff in 2012.

Stefanie has nearly 10 years experience in the nonprofit sector, including chairing and revitalizing her own parish's social justice committee.

Stefanie's personal ministry is to live in inner-city Indianapolis (with her awesome husband and dog) and be present to its many joys and challenges.
