Diocese of Scranton updates protocols for the celebration of public Masses

The Diocese of Scranton issued revised guidelines on May 14 concerning the celebration of public Masses in its 11 counties that parishes can begin to implement.

The changes come after the Centers for Disease Control & Prevention announced Thursday, May 13, that fully vaccinated people no longer need to wear a mask or keep physical distancing in most settings. The Commonwealth of Pennsylvania has adopted these recommendations effective immediately.

“The health and safety of our communities continues to be of paramount importance. Given the recent positive trends and widespread vaccinations, we are happy to announce numerous changes that can begin immediately...
in parishes,” Bishop Joseph C. Bambera said in a message to pastors announcing the changes. “As we have all come to realize over the last 14 months, guidelines can change very quickly. I want to express my gratitude to everyone for their flexibility and hard work in putting the changing directives into effect.”

The Diocese of Scranton invites those who have not yet returned to Mass to rejoin us in person to celebrate the Holy Eucharist, the source and summit of the Christian life. Many pastors are reporting an increase in the number of people who are returning to Mass in person now that they have been vaccinated.

Pennsylvania Catholic Conference urges action on Pro-Life bills coming up for debate

The Pennsylvania Catholic Conference is encouraging everyone to reach out to their state representative and ask them to support a package of pro-life bills that will be considered by the PA House Health Committee next week and then — hopefully — will move on to the full House for consideration. Here are the three bills and what they call for:

- **HB 118, the Final Disposition of Fetal Remains Act**, which would give parents the option of burial or cremation after the death of their unborn baby.

- **HB 1500, the Down Syndrome Protection Act**, which would protect a child from being killed if he or she has been diagnosed with Down syndrome.
• HB 904, the Fetal Heartbeat Bill, which would prohibit an abortion once a heartbeat is detected in the unborn baby.

High court to hear major abortion case from Mississippi in its next term

The U.S. Supreme Court said in a May 17 order that it will hear oral arguments during its next term on a 2018 Mississippi abortion law banning most abortions after 15 weeks of pregnancy.

The case is Dobbs v. Jackson Women’s Health Organization. The court’s term opens in October and a decision is expected by June 2022.

Just after then-Mississippi Gov. Phil Bryant signed the law March 19, 2018, a federal judge blocked it temporarily from taking effect after the state’s only abortion clinic filed suit, saying it is unconstitutional. The U.S. Court of Appeals for the Fifth Circuit upheld the block on the law.

Bishop Bambera continues celebrating Confirmations across the Diocese of Scranton

Glorious weather and smiling faces were the picture-perfect backdrop on Ascension Thursday at St. Patrick’s Church in Milford as 15 eighth grade students and one RCIA (Rite of Christian Initiation of Adults) candidate received the Sacrament of Confirmation. Bishop Joseph C. Bambera, Diocese of Scranton, presided.

As the ordinary minister of Confirmation, Bishop Bambera extended his hand over those who were to be confirmed, praying that the Holy Spirit
would fill their hearts, minds and souls with the grace to become perfect Christians and witnesses of Christ.

In addition to Milford, during the month of May alone, Bishop Bambera has also recently celebrated Confirmations with parish communities in East Stroudsburg, Scranton, Ashley, Hazleton, Carbondale and Plains Township.

Pope appeals for peace in Holy Land, says death of children 'unacceptable'

The injury and death of so many innocent people, especially children, caused by escalating violence between Israel and the Gaza Strip is “terrible and unacceptable,” putting the area at risk of sinking into “a spiral of death and destruction,” Pope Francis said.

The pope launched an appeal for calm and asked leaders of both sides “to put a stop to the roar of weapons and to follow the paths of peace, even with the help of the international community,” he said May 16 after
reciting the “Regina Coeli” prayer with hundreds of people in St. Peter’s Square.
