

## ***“Holy Family” Ministry***

As parents of young children, it may feel difficult to stay connected to community, or know where to start with keeping your own faith alive in the midst of the diaper changes, naps, late night feedings, and in the early years of growing your family... As we begin this *Amoris Laetitia* Year of the Family, the Office for Parish Life encourages parishes to invite and support young families in some of the following ways:

- ~ ***Faith Sharing Groups*** for young parents in the parish community
- ~ ***Tips and Tricks for Parenting***—discussions of practical questions about parenting with topics such as ‘simple faith practices at home’; ‘discipline’ or ‘finances’ etc.
- ~ ***Create Prayer Partnership*** between young families and members of your caring ministries.

**Stay tuned for more resources from the Office for Parish Life!**
