

Support Catholic Schools

“The teachers at Our Lady of Peace School have been wonderful, the technology has been great and the extracurricular activities that they provide are bar none...2020 was a hard year. 2021 was a hard year for everybody and to have the reinforcement of faith, family, community and service at a time that has been so tough, it was a no-brainer to continue to educate our children with those values.”

— Katharine Spanish
Parent of Three Students (Daniel, T.J. and Amelia)
at Our Lady of Peace School, Clarks Green
