

A large stained glass window with three arched panels. The central panel shows the Resurrection: Jesus Christ, with a halo and arms raised, stands on a stone slab. The left panel shows the Virgin Mary seated on a cloud, holding the infant Jesus. The right panel shows the Virgin Mary seated on a cloud, holding the infant Jesus. Below these scenes, several figures are shown in various poses of prayer and adoration. The entire scene is set against a background of clouds and floral motifs.

Dear Parishioners,

I continue to feel blessed to be the pastor of Epiphany Parish. There are so many people who volunteer as members of organizations and ministries in our parish that have been able to share God's love.

I am writing this letter to invite those who are not involved in any ministries to consider offering some of your time and talents to our parish. I am also reaching out to those who are already involved, to think if there is something else that is meaningful to you, that you might consider joining.

We are all members of an amazing parish, and through all of our ministries we strive to be a positive extension of God's presence on earth. This is only accomplished by all of us working together. So as you read this letter I invite you to take some time to pray and reflect on service.

Prayer allows us to open ourselves up to God speaking to us in our hearts. God calls us into relationship. This relationship is about his love operating in each of us. His love and life in us calls us to live a life fulfilled in Him. We can feel fulfilled through our commitments, relationships, vocations and all we do in service. Serving others allows us to be a part of something bigger than ourselves in our daily lives.

Our parish has many ministries and organizations that serve God and his mission. Please pray and reflect upon the possibility that God is calling you to be involved in one of the ministries on the enclosed card. If you are already involved, is there something else that you have thought about doing? Please look at the enclosed commitment card.

The enclosed commitment card is designed to help us take a deeper look at the possibilities of being good stewards of our time and talents. I invite individuals in each family to read this information, pray about it and choose some ways that you can share yourself and be a part of something bigger than yourself.

Thank you all for all that you do as members of the Epiphany Parish.

Sincerely in Christ

Father Daniel Toomey
Pastor
