

## Your Gift of Participation

God created each of us uniquely with various interests, gifts, and talents. How can we in turn offer what God has given us to ***Nurture Faith and Serve All?***

Please take a moment to reflect on the talents listed in this brochure and note where you have strengths or a passion. Please return this Time and Talent brochure to our parish by way of the offertory baskets at Mass, lock boxes, or by dropping it off at the parish office. For more information and a complete listing of our current talent needs and apostolates, please visit our website at [www.pothe.org/ministries](http://www.pothe.org/ministries).

A member of our POTHE staff will reach out to you after reviewing your brochure to discuss how your time and talent can help Nurture Faith and Serve All. We desire your active engagement given your circumstances. Perhaps you have just one day a year to give in service. Maybe you can offer one hour per month, or maybe you have more time to offer. Let us offer what we can for the Glory of God and the salvation of souls!

## Your Professional Experience

We want to know what you do for work. Sometimes we encounter special projects at POTHE where we would appreciate your professional consultation. Additionally, we'd like to offer an opportunity for prayer and community by connecting people through their profession. Please share your profession below (e.g. IT, carpentry, graphic design, legal, etc.).
