

# SCHOLARSHIPS CHANGE LIVES

OPPORTUNITY STARTS WITH A SINGLE DONATION

After watching his older brother attend Holy Cross High School, Christopher Rotell-Tierney always knew he wanted to attend the Dunmore school as well.

*"I love the environment. Everyone cares about each other. The faculty genuinely cares about us, not just our academics,"* he said.

Now in his senior year, Rotell-Tierney is thankful for scholarship money that made his dream a reality.

*"Our world today is very expensive wherever you turn, and the scholarships I have received have helped me not only attend Holy Cross High School but have softened the financial blow of everyday life,"* he added.

Rotell-Tierney says the opportunities to take theology classes and attend Mass have made him a better person.

*"The everyday environment, where I am able to experience my Catholic faith, has definitely changed my view of life and myself and has made me realize that part of what we should be doing is helping in our community and giving back to others when we can."*

Kathy Dunsmuir loves to see her grandchildren thrive and wants them to receive the very best education.

*"My granddaughter was blessed with getting involved with the Holy Redeemer soccer team prior to high school. They were so welcoming. She couldn't have imagined going to any other school,"* Dunsmuir said.

However, cost can be a burden for some families.

*"Receiving a scholarship made a world of difference in easing the financial pressure. Knowing there's support out there gives us peace of mind and allows us to focus on encouraging their education, not just funding it,"* she added.

Dunsmuir is thankful to everyone who supports Catholic school scholarship programs.

*"Our grandson will be joining the Holy Redeemer family for the 2025-2026 school year. Thank you for all you do!"*
