

# GIVE HOPE, GET CREDIT!

YOUR TAX DOLLARS CAN OPEN DOORS - SUPPORT CATHOLIC SCHOOL SCHOLARSHIPS!

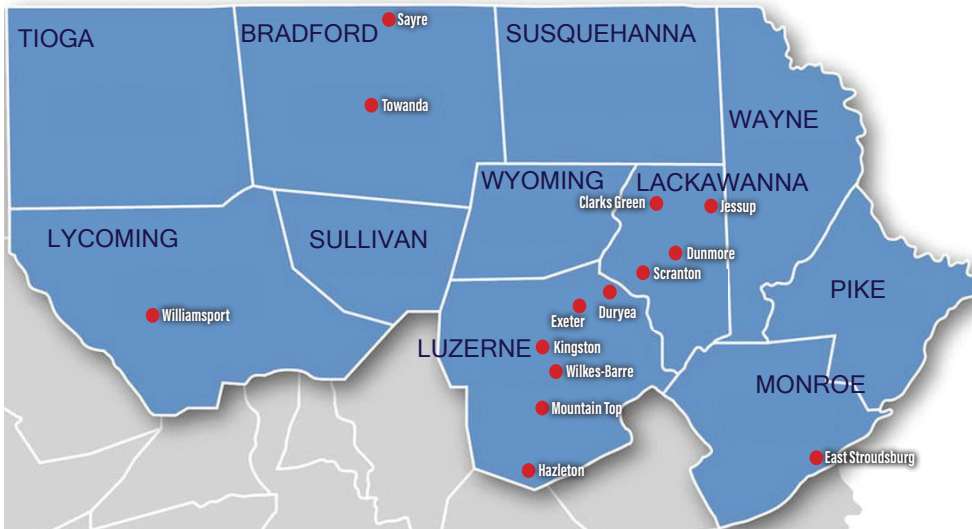

Throughout the 157-year history of the Diocese of Scranton, teaching the Catholic faith to our young people has been one of our most fundamental missions. Providing students with the academic and moral fiber to live their faith and serve others has been a hallmark of our Diocese since its earliest days and we remain steadfast today to that commitment.

Both individuals and businesses are able to support our mission by redirecting their state tax dollars to support Catholic school scholarships through the Educational Improvement Tax Credit Program (EITC). When they do so, they receive a 90 percent tax credit from the Commonwealth of Pennsylvania.

The Diocese of Scranton has 15 elementary schools and four high schools that provide a well-rounded, spiritually sound and academically excellent education, with an enriching curriculum that includes a focus on STREAM (Science, Technology, Religion, Engineering, Art, and Mathematics).

More than 4,500 students in the following schools are receiving a strong academic foundation along with learning the values of compassion and service.
